COMMUNIQUÉ 3 - WHAT'S IN THIS ISSUE?

JULY 2018

Welcome to BILC SharP POCs.

G'Day from the Australian Defence Force School of Languages!
You received this communiqué because you have been appointed as the Point of Contact for your institution. Congratulations to all newly appointed POCs!

If you are no longer the POC for your country, please forward the details of the new POC to us.

What is BILC SharP ?

SharP is an abbreviation for Sharing Platform. Presented in April 2015 at the BILC Conference in Madrid, Spain, BILC SharP is an on-line sharing platform hosted by the Australian Defence Force School of Languages (DFSL). It is a Moodle-based site DFSL offers through its Learning Management System (LMS), which operates in the Australian Defence Education Learning Environment (ADELE).

BILC SharP is for all members of BILC and it serves as an online repository of resources from all participating countries. The spirit behind this initiative is for everyone to share materials which have worked well in our respective institutions, so that other BILC members can benefit from our successfully-trialled resources and save their institutions some design, development and piloting time.

As your organisation's POC you will need to take care of several things:

1. **Provide** us with enrolment details like full name [first name last name], city, country and official/work email address.
2. **Collate** any resources your organisation wishes to share with fellow BILCers.
3. **Forward** to us those resources via email or post.
4. **Inform** us if any of your staff leave their job/posting so that we can de-activate their account.
