

Virtual SME Support for Ukraine

- Goal: an item bank of calibrated reading and listening items
- SMEs from Bulgaria, Romania and US/PLTCE
- 9 virtual meetings
- Accomplishments to date:
 - Quality review and moderation of Level 2 reading items
 - Quality review of first batch of Level 3 texts
 - Will continue to assist with Level 3, Professional Level

Online Multinational Moderation Panels

- Introduced by BILC at the 2020 annual STANAG 6001 Testing Workshop
- Highly innovative approach to a standardized quality review of a nation's test items
- Panel consists of SMEs from 3-5 nations
- Advantages
 - Results in greater standardization across the nations for a low cost
