

Partnership Training and Education Centres (PTEC)

- “education and training centres united under a single concept recognized by NATO. These centres offer courses and academic seminars for national and international military and civilian audiences.”
- There are 33 PTECs “in a variety of critical areas of cooperation such as lessons learned, **language training**, crisis management, law of armed conflict, democratic control of the armed forces, defence reform, peacekeeping operations, and gender perspectives.”

Four PTEC Language Schools

PTEC

Collaboration

English Teaching Faculty
Development Workshops

Foreign Languages Department, National Military University, Shumen,
Bulgaria

School of Foreign Languages, PfP Language Training Centre, Poljče,
Slovenia

Partner Language Training Center Europe (PLTCE), George C Marshall
Center, Garmisch- Partenkirchen, Germany

Jordan Armed Forces Language Institute

PTEC Collaboration

- NATO can leverage PTEC expertise to assist other PTECS

Example: improving the English language skills of the teaching faculty in the PTECs

- Request from the NATO Operations Division to assist the Colombian International Demining Center (CIDES)
 - Expert review of their English language program for alignment to NATO standards
 - First virtual meeting on 19 April
